Personal Statement:

Softball has been my favorite thing to do since I could hold a ball. It was never easy playing. I was always smaller than everyone so I would have to work 3 times harder to out work my friends, teammate, and opponents. I am a dedicated, hard-working, natural born leader that loves the game of softball and giving back to my local ballparks on my free time. I also love being able to help coach a young rec ball team at the old organization I played at when I was younger. Thank you for taking time to read my profile.
